ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

---

This application was received electronically at the Board of Patent Appeals and Interferences on October 18, 2006. A review of the application has revealed that the application is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the examiner. The matter requiring attention prior to docketing is identified below.

On March 10, 2006, an Examiner's Answer was entered into the record. In the Evidence Relied Upon section, page 2, paragraph 8, the examiner has stated that "No evidence is relied upon by the examiner in the rejection of the claims under appeal." A review of the file reveals that reference to Chen 5,960,170 was applied to the statement of rejections in the Grounds of Rejection, paragraph (9) of the examiner's answer. Before further review, the examiner must submit a corrected examiner's answer that will include in the Evidence Relied Upon section, a list of the references mentioned in the statement of rejections. See the Manual of Patent Examining Procedure, (MPEP) § 1207.02. Appropriate correction is required.

Accordingly, it is **ORDERED** that the application is returned to the Examiner to:

1) issue a revised examiner's answer having the missing references listed under the Evidence Relied Upon section, paragraph (8); and

2) for such further action as may be appropriate.
